“NICOLAE BĂLCESCU” LAND FORCES ACADEMY
SIBIU, ROMANIA

Dear Commandants/Dear Rectors,

“Nicolae Bălcescu” Land Forces Academy, Sibiu is organizing the second edition of the ***International Week of “Nicolae Bălcescu” Land Forces Academy, Sibiu***, in the period 11th – 16th June 2018.

We cordially invite you to participate in the activities throughout the ***International Week***, dedicated to academics, teaching staff and researchers, who can share their knowledge through research.

Besides teaching, social, and cultural activities, the event also includes the attendance to the *24th International Scientific Conference – The Knowledge Based Organization*. I am sure we are going to bring our institutions to a higher academic level, by sharing knowledge through our cooperation, since *The Knowledge Based Organization Conference* is a favourable framework within which academics and scientific researchers have the opportunity to share the results obtained in their scientific activity.

I sincerely hope that the researchers and teaching staff will consider participating in the ***International Week*** within the Erasmus+ Programme and/or in the conference’s sections.

The Academy offers the participants free lodging and meals on week days. Transport to/from the venue is under the participants’ responsibility. No participation fee is required.

The participants are required to fill in the attached Registration Form and send it to the POC (Ramona Herman), at the e-mail address: international.relations@armyacademy.ro, no later than 23rd of April 2018.

For further information regarding the International Scientific Conference, details can be provided, upon request, also by the POC.
