Dear Commandants, Dear Rectors,

"Nicolae Bălcescu" Land Forces Academy of Sibiu is honored to invite you to participate in the first edition of the common module ***Budget and Finance in the EU Defence Sector***, which will take place between **09th and 20th of March 2026**.

This academic module aims to provide participants with a solid understanding of budgetary and financial support capabilities within military units and formations. The key objectives of the module include: explaining the budget and finance support mechanisms available to different services during the full spectrum of operations, integrating budgetary and financial requirements into operational planning processes and sharing best practices and lessons learned in the field of defence financial management.

We believe that, through this module, cadets and young officers will gain valuable insights into the role of financial planning, resource allocation, and fiscal support across the continuum of military operations—from peacetime activities to crisis response and combat scenarios.

The Land Forces Academy will provide **free accommodation and meals** for all participants throughout the duration of the module.
