Dear Commandants/Dear Rectors,

It is my great pleasure to invite you to the 6<sup>th</sup> edition of the *International Students' Week* organized by “Nicolae Bălcescu” Land Forces Academy in Sibiu, which will take place between 04<sup>th</sup> and 08<sup>th</sup> of April 2022.

The International Students' Week is an initiative of “Nicolae Bălcescu” Land Forces Academy in Sibiu to promote its study programs and attract students from international partner institutions to study, learn and exchange experiences. The aim is to deepen and intensify cooperation among our institutions within the framework of ERASMUS+ Programme in the area of student and staff mobility.

This international week consists of lectures, workshops and several cultural and social activities. Besides the participation in the academic and social activities from the International Students' Week, students may take part in the following students' scientific events: **SECOSAFT** and **CADET INOVA**.

**SECOSAFT** is the students' session of scientific communications with international participation, an event which contributes to the development of students' creative potential in the field of research and sciences.

**CADET INOVA** – the sixth edition of the National Exhibition of Students' Innovation and Scientific Research with international participation, an event held under the High Patronage of the Romanian Inventors' Forum, which encourages students to make new discoveries in their area of study.

We are looking for active participants willing to share innovative ideas and best practices from their home universities, to create new collaborations and partnerships between students and to encourage them to play an active and constructive role in the development of social and academic life and will allow the participants to gain new knowledge, and create bonds with peers and teachers from other countries.

The Academy offers the participants free lodging and meals inside the Academy's buildings. Transport to/from the venue is under the participants' responsibility. No participation fee is required.

The participants are kindly asked to fill in the attached Registration Form (in the attachment or available on the website: <http://www.emilyo.eu/node/878>) and send it to the POC of the event (Ramona Herman), at the e-mail address: [international.relations@armyacademy.ro](mailto:international.relations@armyacademy.ro), no later than 18<sup>th</sup> of February 2022.
