All the papers published in this issue were presented at the International Scientific Conference “Emerging and Disruptive Technologies’ Impact on Global Security” organized by the “Nicolae Bălcescu” Land Forces Academy in Sibiu and the Academy of Romanian Scientists (AOSR) – the Military Section, on November 25, 2022.

Special gratitude

The end of the editorial year 2022 offers us the opportunity to show our appreciation to the authors, members of the Scientific Board, the technical compartment and to all those who, in one way or another, have contributed to the publication of this review.

We would like to express our special thanks to the scientific reviewers of the Land Forces Academy Review:
